*Welcome to Reproductive Care of Indiana!*

We are excited that you have chosen our team to assist you in pursuing your dreams of parenthood. Our goal is to establish a comfortable and secure partnership with our patients. As a partner, you are encouraged to ask questions and discuss your treatment options.

In order to make your first visit with us more efficient, please take a moment to review the enclosed materials. **Please complete the enclosed forms and mail the originals to our Indianapolis office, with a legible copy of the front and back of your insurance card, along with the completed Insurance Verification form PRIOR to your first appointment. If you receive these documents just before an appointment and do not have time to mail them back, just be sure to bring them with you to your appointment and provide them to the nurse that will be assisting you that day.** Also, be sure to visit our website at [www.reprocareindiana.com](http://www.reprocareindiana.com) for more information regarding our practice and complete directions to our locations.

**Self-pay patients being seen at one of our satellite offices (Bloomington, Lafayette – Women’s Clinic or Clarian Arnett, or Terre Haute) MUST also send in payment for the estimated cost of your initial consultation. Please contact the Indianapolis Office at (888) 365-3436 to advise us of your method of payment.**

Thank you, again, for choosing Reproductive Care of Indiana. We look forward to personally meeting you and assisting you in making your dreams a reality.

Sincerely,

Dr. Michael A. Henry and Staff
